Privacy Statement

Confidential processing of personal data

Magis Trading NV attaches the greatest of importance to its users' privacy. We understand that your trust is our most important capital. This privacy statement (hereinafter referred to as the "Privacy Statement") applies, among other things, to (i) our website <https://www.magistrading.be> (hereinafter referred to as the "Website").

You can visit our site, find out information about our services and read our blogs without providing your personal data.

If you do transmit personal information, we will treat it confidentially in accordance with the conditions below and the national and international legal rules.

Magis Trading NV wishes to emphasise that it attempts to act at all times in accordance with (i) the Belgian Privacy Law of 8 December 1992 for the protection of privacy with respect to the processing of personal data.

This Privacy Statement includes, among other things, information about the personal data that Magis Trading NV collects and the way in which Magis Trading NV uses and processes personal data.

Please read this Privacy Statement in conjunction with Magis Trading NV's cookie policy.

Categories of personal data processed

The information you share with us may include personal data. "Personal data" is understood to mean all information relating to an identified or identifiable natural person ("data subject"); an identifiable natural person is one who can be identified, directly or indirectly, in particular by reference to an identifier such as a name, an identification number, location data, an online identifier or to one or more factors specific to the physical, physiological, genetic, mental, economic, cultural or social identity of that natural person.

Magis Trading NV may collect and process the following personal data:

- Surname:
- First name:
- E-mail address:
- Telephone number:
- Company name:
- Information for correspondence with and from Magis Trading NV

Magis Trading NV also automatically collects anonymous information about how you use the Website. For example, Magis Trading NV will automatically log which parts of the Website you visit, which web browser you are using, which website you were visiting when you accessed the Website and what your IP address is. We cannot identify you on the basis of this data, but it enables Magis Trading NV to issue statistics about the use of the Website and to send more targeted communication.

For more information, see the cookie policy.

Goal of processing

If you share your personal data with us, it is included in our database with the goal of:

- Improving the quality of our services and information;
- Giving you tips and information about new developments in the world of IT;
- Informing you about the services we offer;
- Statistical purposes;

Permission for processing

If you wish to share your personal data on our website, you will be asked (by way of an opt-in) whether you want to give your permission for Magis Trading NV to process this data. This permission is to be given by ticking a box stating that you give Magis Trading NV permission to process your personal data for the aforementioned purposes. You have the right to withdraw your permission for processing at any time. However, the withdrawal of your permission will not detract in any way from the legality of the processing that occurred before you withdrew permission. If you wish to withdraw permission, you can do so by informing Magis Trading NV of this at the e-mail address: carl@magistrading.be

Disclosure of personal data to third parties

Magis Trading NV will not disclose your personal data to third parties unless this is necessary in the context of the provision of services by Magis Trading NV and optimisation of these services (for example, but not exclusively, maintenance work, payment processing, database management). If it is necessary for Magis Trading NV to disclose your personal data to third parties in this context, the third party in question is obliged to use your personal data in accordance with the conditions of this Privacy Statement.

Notwithstanding the above, it is however possible that Magis Trading NV will disclose your personal data to the competent authorities (i) if Magis Trading NV is obliged to do so by law or in the context of legal proceedings or future legal proceedings and (ii) to safeguard and defend our rights.

In all other cases, Magis Trading NV will not sell, lease or pass on your personal data to third parties, unless it (i) has obtained your permission to do so and (ii) it has signed a data processing agreement with the third party in question, which includes the necessary guarantees regarding confidentiality and conformity with the privacy of your personal data.

Storage of personal data

Unless a longer storage period is required or justified (i) by law or (ii) in order to comply with another legal obligation, Magis Trading NV will only store your personal data for the period necessary to achieve and fulfil the goals described in the Privacy Statement under 'use of personal data'.
